Custom Compliance & National Insurance Programs Built for Programs, Associations and Franchises

At Granite, we specialize in placing program business for Associations, Franchises and Industry Specific Groups.

We'll customize your bundle with no-cost compliance tools and resources, Workers' Compensation with No Deposit/No Down Payments, discounted payroll options and more.

Granite's exclusive workers' compensation program obtains national pricing and credits for our program clients.

Tell Us What's Needed, and We'll Take Care of the Rest. We customize your "bundle" with HR Compliance Solutions, Workers' Compensation, Liability, Property, Auto Liability and anything fits the needs of your membership.

Insurance, Verified 24/7. We'll build a custom portal that allows the Program Administrator and the Business Owner to access their coverages, issue on-demand Insurance Certificates and Auto ID cards on a 24/7 basis.

To request a custom insurance program for your organization, association or industry, simply e-mail us at programs@graniteins.com to get the conversation started.
